In the event of an inconsistency in the terms of this Agreement, or between its terms and any applicable statute or rule, the inconsistency shall be resolved by giving precedence in the following order:

a. Applicable state and federal statutes and rules;
b. Statement of Work and Budget; and
c. Any other provisions of the Agreement, including materials incorporated by reference.
9) INDEPENDENT CAPACITY
The employees or agents of each party who are engaged in the performance of this Agreement shall continue to be employees or agents of that party and shall not be considered for any purpose to be employees or agents of the other party.

10) RECORDS MAINTENANCE
The parties to this Agreement shall each maintain books, records, documents and other evidence that sufficiently and properly reflect all direct and indirect costs expended by either party in the performance of the service(s) described herein. These records shall be subject to inspection, review or audit by personnel of both parties, other personnel duly authorized by either party, the Office of the State Auditor, and federal officials so authorized by law. All books, records, documents, and other material relevant to this Agreement will be retained for six years after expiration and the Office of the State Auditor, federal auditors, and any persons duly authorized by the parties shall have full access and the right to examine any of these materials during this period.

Records and other documents, in any medium, furnished by one party to this agreement to the other party, will remain the property of the furnishing party, unless otherwise agreed. The receiving party will not disclose or make available this material to any third parties without first giving notice to the furnishing party and giving it a reasonable opportunity to respond. Each party will utilize reasonable security procedures and protections to assure that records and documents provided by the other party are not erroneously disclosed to third parties.

11) RIGHTS IN DATA
Unless otherwise provided, data which originates from this Agreement shall be "works for hire" as defined by the U.S. Copyright Act of 1976 and shall be owned by the PSCAA. Data shall include, but not be limited to, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. Ownership includes the right to copyright, patent, register, and the ability to transfer these rights.

12) PROPRIETARY OR CONFIDENTIAL INFORMATION
To the extent consistent with Chapter 42.56 RCW, the Public Disclosure Act, Ecology shall maintain the confidentiality of PSCAA’s information marked confidential or proprietary. If a request is made to view PSCAA’s proprietary information, Ecology will notify PSCAA of the request and of the date that the records will be released to the requester unless PSCAA obtains a court order enjoining that disclosure. If PSCAA fails to obtain the court order enjoining disclosure, Ecology will release the requested information on the date specified.

The State’s sole responsibility shall be limited to maintaining the above data in a secure area and to notify PSCAA of any request(s) for disclosure for so long as Ecology retains PSCAA’s information in Ecology records. Failure to so label such materials or failure to timely respond after notice of request for public disclosure has been given shall be deemed a waiver by PSCAA of any claim that such materials are exempt from disclosure.

13) SEVERABILITY
If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this agreement, and to this end the provisions of this Agreement are declared to be severable.
14) TERMINATION
Either party may terminate this Agreement upon thirty (30) days prior written notification to the other party. If this Agreement is so terminated, the parties shall be liable only for performance rendered or costs incurred in accordance with the terms of this Agreement prior to the effective date of termination.

15) TERMINATION FOR CAUSE
If for any cause, either party does not fulfill in a timely and proper manner its obligations under this Agreement, or if either party violates any of these terms and conditions, the aggrieved party will give the other party written notice of such failure or violation. The responsible party will be given the opportunity to correct the violation or failure within 15 working days. If failure or violation is not corrected, this Agreement may be terminated immediately by written notice of the aggrieved party to the other.

16) WAIVER
A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement unless stated to be such in a writing signed by an authorized representative of the party and attached to the original Agreement.

17) ALL WRITINGS CONTAINED HEREBIN
This Agreement contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the parties hereto.

18) CONTRACT MANAGEMENT
The representative for each of the parties shall be responsible for and shall be the contact person for all communications and billings regarding the performance of this Agreement.
