## NOTICE OF PUBLIC COMMENT PERIOD

### Protective Coatings

Proposed Order of Approval No. 11488  
1208 4<sup>th</sup> Avenue North  
Kent, WA 98032

The Puget Sound Clean Air Agency is publishing a public notice for a proposed permit for Protective Coatings which combines all operations into a single facility (currently divided into two facilities) and extends the voluntary limit of emissions currently in General Regulatory Order No. 6946 to all operations at the combined facility. This permit action also includes approval of two new spray coating booths which are being installed to upgrade the paint shop to better process flow. The proposed Order will limit facility-wide potential emissions during any consecutive 12-month period to 49.5 tons of volatile organic compounds, 24.5 tons of total hazardous air pollutants (HAP) as established by [42 U.S.C. 7412\(b\)\(1\)](#) and amended in 40 CFR 63 Subpart C and 9.5 tons of any single HAP.

### PRELIMINARY DETERMINATION

The Agency has completed a review of Notice of Construction application No. 11488 and has made a preliminary determination that the proposal meets all the requirements of Regulations I, II and III and should be approved.

### PUBLIC COMMENT

The Agency will accept any written comments received before the close of the notice date per WAC 173-400-171. Interested parties may comment on the draft Order of Approval including the engineer worksheet and the NOC application. Comments must be submitted in writing to the Agency by 11:59 p.m., February 11, 2018. The Agency will review and respond to all comments received and the comments and responses will become part of the public record.

The application and the information considered in making this preliminary determination are on file and available for inspection at the Agency's office located at 1904 3rd Ave, Suite 105, Seattle, Washington, telephone (206) 689-4011. The proposed Order of Approval No. 11488 is also available at the Agency's website [www.pscleanair.org](http://www.pscleanair.org). Written comments must be mailed to Maggie Corbin, Engineer, at Puget Sound Clean Air Agency, 1904 3rd Ave, Suite 105, Seattle, Washington 98101 or e-mailed to [maggiec@pscleanair.org](mailto:maggiec@pscleanair.org).
