## DETERMINATION OF NONSIGNIFICANCE

### Description of Proposal

**Expansion of an existing aerated static pile (ASP) and windrow/mass bed composting facility from an incoming feedstock limit of 75,000 wet tons per year to an incoming feedstock limit of 150,000 wet tons per year of agricultural organics (cow manure, bedding, and paunch); pre and post-consumer food waste; and yard waste. Substantial alteration of control equipment on existing ASPs to be negatively aerated at all times. The facility includes one existing tipping and feedstock preparation building (5,000 cfm exhaust), eight existing ASP cells (17,000 ft<sup>2</sup> floor area total), five new ASP cells (22,000 ft<sup>2</sup> floor area total), windrow composting area, and final product storage and curing area. Emissions from the tipping building and the existing eight ASPs will be controlled by two existing biofilters (4,256 ft<sup>2</sup> area total) and the five new ASP cells will be controlled by two new biofilters (9,800 ft<sup>2</sup> area total). All ASPs are negatively aerated.**

### Proponent

**Lenz Enterprises Inc  
PO Box 868  
Stanwood, WA 98292**

### Location of proposal, including street address if any

**Lenz Enterprises Inc, 5210 SR 532, Stanwood, WA 98292**

### Lead Agency

**Puget Sound Clean Air Agency**

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from the signature date below. Comments must be submitted by October 27, 2021.

We have identified and adopted this document as being appropriate for this proposal after independent review. The document meets our environmental review needs for the current proposal and will accompany the proposal to the decision-maker.
